

## **Provisional Suggestions**

Falmouth Garden Club is a working club. Its members enjoy both gardening, community service, education, and the various activities related to gardening. Listed are suggestions and information to aid you, as a Provisional, to meet your goal to become an Active member. Your Mentor is also a great resource. For Hospitality, Provisionals will be assigned a meeting where they will supply an item for the collation organized by the Hospitality Committee.

### **Design Project**
